Subject: Re: [anthemtrumpets] proposals

I'm sure we will be discussing it.

He has no right to make such demands. We must take our cues from the entire Board and its President, not from one troublesome Board member.

I would hope that Mike Dixon will be at the meeting.

Subject: [anthemtrumpets] proposals

Bob Frank is demanding that I send him copies of all proposals. Please discuss this at the meeting tomorrow. I am not willing to comply unless the group agrees.
