

PROTECT YOUR HOME

STOP LEGAL BAILOUTS FOR BAD BUILDERS! SB 349 & SB 337

SB 349 allows builders to violate building codes without penalty and takes away your right to legal fees when you are sold a defective home!

SB 337 cuts in half the amount of time you have to hold your builder accountable for construction defects, and puts limits on your rights even when you are the victim of a FRAUDULENT BUILDER!

Call or e-mail Senate Judiciary members today!

Tell them to vote NO on SB 349 and SB 337
